John McMullan 1740-1817 son of Patrick Joseph McMullan immigrated from Ireland to Orange County Virginia in 1760 served in the Revolutionary War and married twice after the war he and his family moved to Elbert County Georgia descendants and relatives lived in Virginia Georgia Alabama Mississippi and elsewhere

Does disgust guide moral behavior or does it hamper it? Does disgust play a critical role in ordinary moral judgments or almost no role at all? In this volume experts in the field come together to explore fundamental questions about the role that disgust plays and ought to play in our moral lives. This book features twelve new essays nestled comfortably at the intersection of psychology and philosophy. The moral psychology of disgust brings together leading scholars, ethical theorists, cognitive scientists, developmental psychologists, legal scholars, cognitive neuroscientists, anthropologists, each answering questions that arise at the intersection of morality and disgust. The book introduces readers to the most pressing issues facing the field and gives a perspective that is representative of the range of views and concerns that reflect the current research terrain. The book addresses three main themes: the origins of moral disgust, exploring the evolutionary function of disgust and its role in sustaining group dynamics; the psychological mechanisms underlying disgust responses and the way in which disgust influences reasoning about agency, violence, sex, and meaning; and the ethical challenges posed by disgust. The contributors explore whether we are justified in using disgust to form beliefs about right and wrong and how disgust sheds light on the very nature of morality.

Each volume covers six regional exhibitions 1993. Each volume covers one of the six regional competitions 1998.

Includes subject area sections that describe all pertinent census data products available i.e. business, trade, and services, geography, transportation, etc.
