in our age of theological relativism jesus question to his own disciples continues to ring true who do the people say that the son of man is through jesus seven miracles and his seven i am sayings the apostle john provides a clear answer to that all important question furthermore what do jesus miracles represent are they designed to point to something or someone in our supernatural crazed culture that affects even evangelical christianity it is refreshing to be reminded that biblical miracles were never arbitrary but were always purposeful authenticating god s message and his messenger s in the gospel of john the miracles of jesus are both

christological that is they highlight jesus person and eschatological that is they foreshadow the work the messiah will do in his future advent the miracles remind us that god s desire for every believer is first and foremost a spiritual relationship with him through his son furthermore jesus miracles also remind us that god s work in and for every believer will be fully and ultimately realized in the everlasting life
