leading in a technology driven world the relationship of humans to technology is a ubiquitous theme in today's world of mobile devices 24/7 internet access and omnipresent digital business tools the essays in this collection don't focus on a specific technology but on the challenges technology creates for management in them peter f drucker explores how managers can harness technology to enable workers to be more productive in this collection he offers insights on how technology affects the quality of life the difference between efficiency and productivity the impact of technology on science and politics how new technology affects not only what work can be done but also how it will be done and other essential management topics filled with classic evergreen advice technology is not about tools it deals with how man works peter f drucker on technology is essential reading for managers in the digital age

the essential marketing wisdom of peter drucker bill cohen has done us a wonderful service by faithfully combing through peter drucker's vast writings and weaving together peter's thoughts on marketing this has never been done before philip kotler from the foreword considered the single most important thought leader in the world of management peter drucker had an equally significant influence on the discipline of marketing although he didn't approach marketing with the same systematic rigor he reserved for management drucker addressed the topic in detail in his wellknown treatises on the roles of profitability and leadership the importance of innovation and the need to seize new opportunities drucker on marketing is the first comprehensive look at the marketing wisdom of one of modern history's most influential business thinkers a former student of peter drucker william cohen has sifted through drucker's huge body of work singled out his most salient ideas on marketing and constructed them into a framework that not only outlines drucker's marketing philosophy but provides practical advice on how to achieve marketing goals in today's business setting the book is organized into five thematic sections the ascendancy of marketing innovation and entrepreneurship drucker's marketing strategy new product and service introduction drucker's unique marketing insights for drucker profitability should not be the main focus of a business the customer should be the market should be he didn't consider marketing as one of many tools to generate profits rather he viewed marketing as the driving force of business a philosophy for defining and capturing the most enriching

customer opportunities providing unique insight into the mind of one of the twentieth century's greatest thinkers drucker on marketing is an essential read for both marketing professionals and fans of peter drucker praise for drucker on marketing bill cohen's interpretation of drucker's work has never been needed more than today when marketing spells the difference between success and failure frances hesselbein president and ceo the frances hesselbein leadership institute it is my desire that those in positions of influence especially executives professors and students take cohen's advice in this book to heart and help their organizations to help us all joseph a maciariello horton professor of management the drucker school of management and coauthor of the drucker difference drucker on marketing reflects bill cohen's unique ability to understand and communicate peter drucker's thoughts and ideas about marketing with the added touch of how to implement them in a dynamic and changing world c william pollard chairman emeritus the servicemaster company drucker said it best when he said that marketing and innovation are the most important business functions because they generate new customers so believe me anything he said about marketing is worth reading there's no better thinker jack trout global marketing expert president trout partners ltd and bestselling coauthor of positioning bill cohen has synthesized and analyzed and brought to life the single subject that in many respects lies at the heart of all of drucker's writing how to create a customer this is a major contribution rick wartzman executive director the drucker institute and columnist for forbes.com

what is management what is a manager how is a business organized and how can managers use people's strengths more effectively what is the relationship between management today and the society and culture it seeks to direct these and many more questions are discussed in peter drucker's classic survey of management thought and practice people and performance is the ideal volume for those who want the essence of drucker's thinking but with limited time at their disposal it spans all the main dimensions of management and its themes are based on drucker's direct experience as an adviser to businesses government departments public institutions and as a widely sought lecturer

the perfect gift for aspiring leaders the peter f drucker library filled with practical guidance on perennial leadership issues the peter f drucker boxed set is essential reading for all

managers and executives more vitally relevant than ever each book features the best of peter f drucker s legendary wisdom this specially priced 8 volume set includes every book in the drucker library peter f drucker on economic threats peter f drucker on technology peter f drucker on business and society peter f drucker on nonprofits and the public sector peter f drucker on the network economy peter f drucker on management essentials peter f drucker on globalization and peter f drucker on practical leadership build your professional library with the peter f drucker boxed set

peter drucker s wide ranging book drawn from his best work looks at management the individual and society he connects these themes of today s world with his usual clear sighted and far reaching style to create a work which encapsulates his essential and strongest writings in one volume under the three headings drucker covers aspects such as what the non profits are teaching business and the information that executives need today in his section on the individual he gives advice on knowing your own strengths and values your time and intriguingly the second half of your life the third part on society encompasses the coming of the entrepreneurial society and citizenship through the social sector

although peter drucker the father of modern management died in 2005 his timeless teachings are studied and practiced by forward thinking managers worldwide his lessons and wisdom on the topic of leadership the central element of management are in constant demand yet he wrote little under that actual subject heading in drucker on leadership william a cohen explores drucker s lost leadership lessons why they are missing what they are why they are important and how to apply them as cohen explains drucker was ambivalent about leadership for much of his career making it clear that leadership was not by itself good or desirable while drucker struggled with the concept of leadership he was well aware that it had a critical impact on the accomplishment of all projects and human endeavors there is no book from drucker specifically dedicated to leadership but a wealth of information about leadership can be found scattered throughout his 40 books and hundreds of articles drucker s teachings about leadership have saved many corporations from failure and helped guide others to outstanding success many of the leadership concepts revealed in this book will surprise and perhaps shock drucker s followers for

example who would have thought that peter drucker taught that leadership is a marketing job or that the best leadership lessons for business or any nonprofit organization come from the military written for anyone who values the insights of the man whose name is synonymous with excellence in management drucker on leadership offers a deeper understanding of what makes an extraordinary leader

classic advice for today s management challenges peter f drucker s timeless thinking on management distilled in this series of concise essays examines the basic questions and issues that managers face in rapidly changing times drucker s legendary wisdom is even more vitally relevant going beyond traditional thinking to insights of enduring value the ideas and themes of this easy to read guide are based on direct experience and knowledge from drucker s years as adviser to large corporations entrepreneurial start ups government and nonprofit agencies and public institutions they are eminently practical and resonate profoundly with the challenges managers face today drucker offers insight and advice on perennial management issues such as people decisions resource allocation productivity challenges innovation and risk management and other essential management topics filled with classic evergreen advice there is only one valid definition of business purpose to create a customer peter f drucker on management essentials is widely regarded as the gold standard for managers notable quotes from peter f drucker management is doing things right leadership is doing the right things the best way to predict the future is to create it time is the scarcest resource and unless it is managed nothing else can be managed there is nothing so useless as doing efficiently that which should not be done at all whenever you see a successful business someone once made a courageous decision knowledge has to be improved challenged and increased constantly or it vanishes the entrepreneur always searches for change responds to it and exploits it as an opportunity

turning insight into action in this collection of essays peter f drucker focuses on the steps leaders can take today to prepare themselves and their organizations for tomorrow covering key areas such as technology economics people and the organization drucker shows managers how to put his advice and ideas into action throughout the book drucker brings clear sighted analysis to an array of subjects that remain as relevant today as they were when he first wrote about them using examples from a wide range of industries this book

equips executives to better understand and address the practical implications of topics such as managing workers spotting opportunities for innovation evaluating company performance assessing global business both applicable and inspiring peter f drucker on practical leadership is essential reading for leaders preparing for tomorrow

the wider world in which business operates the political issues impacting our global economy have changed dramatically in the decades since peter f drucker first wrote the essays in this book but the relationship between business government and society remains a potent driver of national and global prosperity in this collection of essays drucker explores the nuances of economic and political shifts and the impact of these shifts on the environment in which business must operate as well as the specific challenges they pose for leaders drawing from a wide range of disciplines and perspectives this book equips executives to better understand and address structural changes in society paradigm shifts in presidential politics the wider world outside the corporation how politics economics and society must be viewed together as an interdependent system timeless in its insight and practical wisdom peter f drucker on business and society offers readers a revealing lens through which to view our world today

there is no shortage of books and successful businesspeople who have emphasized concepts such as decentralization outsourcing the rise of the knowledge worker the role of employees as assets and a focus on the customer but it was peter drucker who years sometimes decades first blew the whistle on these indisputably important keys to success and still today drucker is recognized as the inventor of modern management and continues to influence leaders around the globe and now readers can benefit from this collection of applicable concepts taken from drucker s myriad books within the invaluable pages of practical drucker readers will find surprising insights and clear guidance on how to engage employees and achieve outstanding performance remedy destructive office politics handle a crisis become better decision makers by questioning assumptions determine which leadership style to use in which situation do more with less steer clear of the biggest traps that leaders fall into avoid the five deadly marketing sins and much more in efficient knowledge filled chapters this all in one resource has taken the practical wisdom from drucker s large body of work including his books essays articles as well as his decades of teaching and

consulting and shaped it together into a set of fresh vital lessons that will resonate today and for years to come

following in the successful vein of managing for the future 1992 and managing in a time of great change 1995 the incomparable peter drucker is back with fresh thoughts insights and knowledge about the ever changing business society around us and the ever expanding management roles required of us all chiefs executives managers and knowledge workers alike two main themes are explored in many of the chapters in managing in the next society the rapidly expanding information shock wave that had its internet big bang as recently as 1995 and the changing shape of our society to come six major trends that are rapidly transforming our world into what peter drucker calls the next society

a year long leadership development course divided into short weekly lessons based on peter drucker s personal coaching program previously unpublished material and selected readings from the management guru s classic works compiled by his longtime collaborator joseph a maciariello a year with peter drucker distills the essence of peter drucker s personal mentorship program into an easy to follow 52 week course exploring the themes drucker felt were most important to leadership development including leaders must set sights on the important and not the urgent a key differentiator between a subordinate and a chief management is a human activity process must serve people in and out of the organization the roadmap to personal effectiveness the importance of mission and doing the right things not just getting things done the critical importance of leadership succession especially at top ranks of the organization each weekly management meditation includes a lesson and a message or anecdote taken from drucker s extensive body of work as well as suggestions for further reading reflective questions and quick easy prompts to help readers incorporate the knowledge they ve learned into their daily work a lifetime of wisdom brilliantly honed into a single essential volume by drucker s collaborator joseph a maciariello a year with peter drucker gives both lifelong drucker fans and young executives now discovering his brilliance an invaluable opportunity to learn directly from the late master

succeeding in the network economy peter f drucker has inspired and educated managers and influenced the practice of management for generations writing across six decades

drucker was one of the first business thinkers to understand the new rules as well as the skills required for success in the network economy in this collection of essays drucker offers timeless insights on what it takes to lead a profitable enterprise in a time when networks and information have largely replaced consumable goods he guides executives on how to recognize when to invent the future instead of being overtaken by it these essays offer advice on many important business topics including planning and strategizing in uncertain times understanding how a network economy works cultivating long term business intelligence building strategic alliances mastering the roles and skills required in a network economy peter f drucker on the network economy contains insights that have not only proved to be true over time but remain deeply urgent and relevant today

in a dazzling intellectual profile of one of the greatest management theorists and social thinkers of our time jack beatty address the pivotal themes of peter drucker s work the society of organizations the knowledge society the birth and death of management and reveals the crucial connections he forges between the realms of theory and practice

managing in a globalized economy in this collection of essays renowned management thinker and teacher peter f drucker guides leaders on how to find opportunities and make the right decisions in a business context that is increasingly global this collection delivers a set of urgently needed lessons on how business leaders today can manage through complexity and volatility and make the wisest possible choices while balancing the perils and promise of globalization using in depth stories and examples from a diverse range of sectors industries and geographies drucker offers managers insight into the global economic trends impacting world trade the productivity of the global workforce managing major organizational decisions in a turbulent environment both timely and enduring peter f drucker on globalization is a forward looking guidebook packed with practical wisdom

concept of the corporation was the first study ever of the constitution structure and internal dynamics of a major business enterprise basing his work on a two year analysis of the company done during the closing years of world war ii drucker looks at the general motors managerial organization from within he tries to understand what makes the company work so effectively what its core principles are and how they contribute to its successes the

themes this volume addresses go far beyond the business corporation into a consideration of the dynamics of the so called corporate state itself when the book initially appeared general motors managers rejected it as unfairly critical and antibusiness yet the gm concept of the corporation and its principles of organization later became models for organizations worldwide not only businesses but also government agencies research laboratories hospitals and universities have found in concept of the corporation a basis for effective organization and management because it offers a fundamental theory of corporate goals this book is a valuable resource for business professionals and organization analysts it will also be of interest to students and professionals in economics public administration and political science professional and technical readers who admire peter drucker s work will want to be certain this volume is in their personal library at a time when everything from the size to the structure of corporations is being questioned this classic should prove a valuable guide

drucker on asia is a fascinating and insightful discussion between peter f drucker and isao nakauchi on the past present and future of asia as the new economic superpower drucker on asia addresses what do these economic changes mean for an individual country and its economy the dangers and opportunities of china too great to be ignored the rebirth of japan what japan needs to do in order to achieve the third economic miracle and the business of change what do these changes mean to society the individual company the individual professional and executive
