what helps love to flow freely what keeps us entangled in the lives and fates of others what can free us from entanglements family constellations can help us to look at these issues and take steps towards a happier and more fulfilled life family members often become entangled in the lives and fates of others in the family system this book describes this process how this appears in family constellations and how it can be resolved it clarifies the orders of love in the soul that support relationships between partners parents and children and others in the family system it

looks at how family constellations can help lay the past to rest and redirect life energy towards the future jakob robert schneider calls upon his rich background of experience in this accessible and well grounded look at family constellations from the basics to the depths of this work constellation leaders at all levels of experience will find support and inspiration in the open and informed discussion non professionals can get an overview and orientation to this approach to family systems this is a completely up to date basic introduction to family constellations that is well structured concise and supported by many clear and often touching case examples it summarises the development basic principles focus attitude and various procedures of constellations and it does so in a way that is always comprehensible logical differentiated and stimulating i know of no book that describes the broad scope of family constellations in such a clear compact yet comprehensive way dr gunthard weber

welcome to the world of constellations family and other forms of constellations constitute one of the most effective and thrilling modern therapeutic methods that will help you improve your relationships and life in general by allowing love to flow again not since freud has the realm of psychology seen such groundbreaking insights as those provided by hellinger the founder of constellations constellation work is a universal tool that will enable you to identify and resolve problems in any sphere of life including personal relationship health and workplace issues this easy to read book comprehensively explains the method and theory of constellations to augment understanding the text is illustrated with detailed authentic case studies from indra s practice the latest research and innovative applications of systemic constellations such as organizational structural and table constellations are also are discussed as well as relevant scientific research whether you are a layman or spiritual seeker interested in improving your life or a therapist interested in adding another dimension to your therapeutic skills arsenal this indispensable book is a treasure trove of information and insights that will go a long way in helping you find true understanding about constellations and how relationships work

the first ever user friendly guide to bert hellinger s family constellations a powerful group therapy method that uses family history as an avenue for understanding and resolving conflicts mapping out a family constellation explains dr joy manné encompasses exploring previous powerful life events from accidents to adoptions and accessing the deepest dynamics in that family system this process helps us recognize and then resolve deeply seated family patterns for example in order to understand a person s inability to trust the family history of betrayal must be uncovered and released these insights replace resentment with respect pain with understanding in this book dr manné uses the knowledge gained from her own practice as well as her educational experiences with bert hellinger the founder of family constellations therapy to clearly describe

this unique therapeutic method most family constellation sessions are carried out in a group setting with the facilitator first seeking clarity regarding the issue or problem the client has come to work out representatives are then chosen from among the group and the constellation is set up and worked in until it comes to resolution this may be followed by a closing ritual and advice about how to integrate what the constellation has revealed through the use of real life examples of family constellations dr manné makes this increasingly popular practice understandable and relatable

the first ever user friendly guide to bert hellinger s family constellations a powerful group therapy method for interrupting intergenerational trauma healing painful family patterns and reclaiming your own empowered narrative includes insights on somatic wisdom the seven stages of a constellation session and bringing relational dynamics into awareness for healing and growth in family constellations joy manné introduces the groundbreaking work of bert hellinger whose therapeutic method reveals how unresolved family trauma can shape our lives and influence our experiences sometimes for generations drawing on hellinger s deep expertise across cultural and therapeutic traditions this book guides you through the wisdom of family systems it explores how unconscious loyalties forgotten ancestors and unmetabolized traumas can keep us from embodying and expressing our true authentic selves and gifts here manné helps us understand approaches to care and repair so we can bring these patterns to light and unlock new pathways to love freedom safety and healing inside you ll learn about the orders of love that govern family systems and what happens when they re disrupted how family patterns of giving and taking belonging and neglect and loyalty shape our lives and embodied experiences the seven stages of a constellation session from naming to integration the role of the ancestors and the ongoing influence of the dead on the living practical exercises and truth statements to translate the insights and wisdom of constellation sessions into your everyday life with clarity and compassion manné explains the theory and practice of constellations how they re set up how healing happens and how resolution can bring peace to an entire family field she also shows how you can carry these insights into your daily life relationships and even work settings accessible deep and profoundly moving this book offers a new framework for understanding yourself and your families in a new empowering and healing light

systemic family constellations is a comprehensive guide that invites you to explore the principles and practices of family constellation discover how to unravel hidden patterns that influence our lives heal transgenerational traumas and transform relationships learn about the importance of order and balance in family systems the impact of belonging and exclusion and develop practical skills for conducting family constellations explore the applications of constellation work in

different contexts and find out how it can assist in specific issues such as relationships health and career uncover the invisible secrets and embark on a journey of healing and transformation

using the systemic family therapy developed by bert hellinger tensions and conflicts within families can be revealed through the use of representatives the person involved can observe the psychic dynamics of his or her own family and identify the patterns which are destructive in his book bertold ulsamer explains the basis of family constellations and considers the task and the role of the therapist in the field of subjective experience and objective knowledge he addresses the use of language and the issue of dealing with emotions his book is aimed at therapists and others who are interested in the practical applications of the hellinger therapy

welcome to this journey into the heart of the family constellations i am azucena lópez a family dismayer and professor and i have dedicated my life to understanding and sharing this powerful healing tool throughout my practice i have witnessed how family constellations can transform lives by revealing the hidden dynamics in family systems and offering profound and liberating solutions however i must warn you that this path is for those who want to walk in these fields of immense love family constellations can stir up intense emotions and confront truths that we are sometimes not prepared to face that s why i ve written this book as an initial guide for those who want to explore this world with respect and awareness before participating in a constellation or delving into this practice i recommend you read this book carefully here you will find a clear and compassionate introduction to the fundamental principles as well as exercises that will allow you to approach your family system in a safe and thoughtful way remember that this is not a book to read in a hurry or lightly it is an invitation to look within yourself to honor your roots and to open yourself to the possibility of healing and growing if you decide to embark on this journey do so with an open heart and with the humility to recognize that in every family there is a fabric of love pain and hope that deserves to be understood and respected i wish you an enriching and transformative experience may this book be a light on your path to a greater understanding of yourself and your place in the great tree of life with gratitude and respect

the newest edition of this classic work is presented in an updated format dr toman s revisions to the text include new interpretations of statistical data a questionnaire for reader use and a fully updated bibliography

in this manual the authors explain the various techniques of individual family constellations in a simple clear and practical way they present many clinical examples and explain concretely how to put these techniques into practice the result is an integrated systemic method for use in individual work the method s efficacy consists in the possibility of seeing directly and concretely in a short time what happens in the sphere of relationships what limits and hinders and how to resolve the interpersonal disharmonies to gain greater strength autonomy and serenity with this book the authors are opening doors for those who are looking for new insights in their personal life and their relationships at the same time they are offering practitioners a valuable manual for systemic work in individual settings with all my best wishes that this little gem may find its way into many hands and hearts jutta ten herkel

a primer on the family constellations philosophy and its core principles that will inspire and empower readers to take ownership of their lives family constellations begins with the premise it did not start with me many of us become entangled with the unhappiness of those who came before us unconsciously adopting destructive familial patterns of anxiety depression failure and even illness and addiction in an attempt to redo the past and fix our families affirmations and exercises punctuate every chapter created to help the reader actively engage with and experience the benefits of family constellations readers will also learn how to recognize family system patterns and disrupt them heal the inner child and parent the adult self release limiting beliefs and behaviors dissolve trauma bonds that entangle them with the past reconcile the past and the present for a whole and integrated self arrive at a place of personal peace within the family system craft future facing narratives that empower them to live authentically

a supportive book for those who want to know how you can work cautiously and with patience on your traumatic experiences how to find and activate resources how you can quickly bring feelings and behavior triggered by trauma into balance how you can overwrite your traumatic experiences step by step with the help of family constellations how you can transform trauma in the long term with family constellations

based on the knowledge derived from family constellations a therapeutic method developed by bert hellinger janus investigates other psychotherapeutic approaches and introduces a new perspective on human behavior janus addresses debated issues like nature versus nurture the role of unconscious factors in shaping behavior and the structure of the conscience arguing that family constellations offer new understandings for the fields of psychotherapy psychology anthropology and religious studies

this text explores the effects of being born into a particular sibling position in different types of

families it is based on years of systematic studies of over 3000 families and describes the natural environment in which sisters and brothers influence each other

love and reconciliation is the insights and the application of a systemic psychology which has applied by more than millions of people worldwide the book contains 16 real life examples of how systemic constellation is applied and demonstrates how its application can create wonderful relationships and a successful life the content of the book is applicable to all types of family with any sort of cultural or societal background for example it touches on why children become less rebellious when their mother releases the anger she has towards her husband why the way to enjoy greater wealth and successful weight loss begins with having wonderful relationships with our parents and why it is important to respect our each other s former partners if we want to have a happy marriage it also includes useful exercises designed to help the reader apply what they have learnt and benefit from it dr chou the author of 100 000 bestseller books is a well known systemic constellations facilitator for more than 20 years he is a licensed psychologist and the founder of the international academy of systemic constellations taos he has been invited to share his work in germany and the u s international conferences and for various companies and organizations including taiwan judges academy universities and even hospitals his workshops are available in taiwan china singapore malaysia europe america and worldwide internet through the use of systemic constellations dr chou has helped many others achieve personal growth improve their family relationships and even helped many enterprises resolve their bottleneck love and reconciliation is a useful read for anyone who is keen to overcome challenges in their personal and or professional lives to enjoy better relationships happiness and success

this report on the method of family constellations is a fascinating trip through theory and practice that offers a new concept of healing for lay readers as well as professionals what makes this book special is the richness of the illustrations of how symptoms of illness embody concrete events in a family and how family constellations can bring this to light with a respect that allows symptoms to recede and disappear as far as i am aware this has never before been identified and illustrated so clearly this book is a first class pioneering effort alongside new insights it also details the concrete steps that have led to new and often surprising resolutions bert hellinger
